We are responding to correspondence, submitted on your behalf by [REDACTED] requesting relief in order to establish October 5, 1999, as the effective date for your S corporation election. The information submitted explains that your accountant overlooked filing Form 2553. Although we are unable to respond to your request as submitted, this letter provides useful information.

Announcement 97-4 (copy enclosed) provides guidance on seeking relief for late S corporation elections and inadvertent invalid S corporation elections. Generally, to request relief for a late or invalid S corporation election you must request a private letter ruling from the National Office. The procedures for requesting a private letter ruling are set out in Revenue Procedure 2001-1 (copy enclosed). In addition, Rev. Proc. 2001-1 requires taxpayers to submit a user fee along with their ruling request. The standard user fee for a ruling is \$6,000; however, taxpayers with gross income of less than \$1 million for the last 12-month taxable period will qualify for a **reduced user fee** in the amount of \$500. If you qualify for the reduced fee, your request must include a statement certifying your gross income eligibility; otherwise, you will be charged the higher fee. Please format your letter as shown in Appendix B of Rev. Proc. 2001-1.

If you decide to submit a ruling request, please provide documents supporting your intention to be an S corporation, and include the proper user fee. Please refer your request to our office by adding the following to the address:
